

Mobile Wallets

Fast, convenient payments with digital wallets

The Bank of America Commercial Card solutions (Corporate, Purchasing and Commercial cards) are enabled for mobile wallets for cards issued, globally. Cardholders can add their account into the mobile wallet of their choice by simply opening the wallet app on their device and following the enrollment steps. This capability helps business travelers increase the speed and efficiency across many of their business purchases.

Benefits:

- Credit card is stored with enhanced security
- Transaction data associated with the business purchase is identical to a card transaction
- The digital card image will display the Bank of America logo and clearly note the type of business card
- Encourages cardholders to replace cash payments with digital payments

1. Add your card

Add your Bank of America card to the regionally available mobile wallet of your choice¹. Simply go to the wallet app and follow the step-by-step directions.

2. Make a payment

- Pay in stores by holding your mobile phone near the payment terminal at any contactless² enabled payment terminal around the globe.
- Pay in-app or by using online checkout functionality.

3. Manage your account

Manage your account exactly as you do today. Mobile wallet transactions will be treated identically to a card transaction and provide the same information.
