

Global Leasing

World-class financial solutions

Comprehensive solutions to address your wide-ranging needs

Address your capital raising and equipment financing needs worldwide with industry leadership, capital strength and specialized expertise. Our specialists can help you create thoughtful strategies that can help meet your goals and position your organization for success in an ever-changing marketplace.

Your needs

Equipment finance

Reduce your after-tax cost of capital, increase cash flow, improve your balance sheet and manage assets with unique equipment financing solutions that address your accounting and tax objectives. Our experts tailor solutions for U.S. corporates and multinational corporations in the EMEA and APAC regions, as well as U.S. middle market companies and small businesses.

Aircraft finance

Enhance productivity and stay connected by financing your corporate aircraft. We offer solutions for high net worth individuals, public companies and large private corporations as well as non-U.S. commercial air passenger business and worldwide freighter carrier business in EMEA and APAC.

Vendor finance

Generate new revenue, enhance margins and improve market share through structured sales financing programs.

Energy efficiency

Finance a wide range of energy efficiency and renewable energy assets, such as wind and solar energy projects.

Healthcare, education and not for profit

Obtain flexible medium-term capital solutions for healthcare providers and institutions, educational institutions and not for profits.

Government finance

Complement medium-term and long-term financial strategies with taxable and tax-exempt asset finance transactions.

Tax credits

Solutions offered for low-income housing, historic, film and other opportunities. Clients include tax credit aggregators and syndicators, financial institutions and developers.

Capital markets

Outsource day-to-day management of structured investment portfolios that are no longer considered core operations. Our team provides a broad range of advisory, arranging, underwriting and syndication services.

Value-added services

- Fixed or floating rate
- IT leasing
- Like-Kind Exchange
- Mergers & acquisitions
- Progress payment
- Sale-leaseback
