The state of software for consumers has increased so much over the last few years. We're used to Facebook and Twitter, and Instagram. They really expect a clean, simple experience. But most HR software, for the last 30 years, has been really just like a front end that's really clunky, on top of a database. And now, people expect something simple, clean, fast ... expect to get feedback quickly, and have it be almost fun.

“Bank of America Merrill Lynch” is the marketing name for the global banking and global markets businesses of Bank of America Corporation, including Bank of America, N.A., Member FDIC
